Maybe even better than free.

No account or credit card is required to get started. Any file in any format can be uploaded and downloaded for free. Just upload the file you want to share with your friends and we send you a download link to your file. If only we could, we surely would! On the other hand, using file can actually save you money. There are no restrictions on the number of times a file can be downloaded. Keep your files private, or send your download links only to friends or family. You cangive this download link to your friends by mail or instant messenger. File is free to use with no gotchas and no hidden fees. So try our free and simplefilehosting service now. You don't need any special software installed to be able to download your files. You can upload any type of file (movies, music,documents, images, zip files and more). Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps havelimits to the size of files that can be transferred within their apps. The cost of that data transfer is covered by your internet service or the data plan on yourphone. Simply upload your file and share the link. We have no file size limit. Alternatively you can choose to share your download links on blogs, forums andsocial networking sites. It is also allowed to link to the download page from websites and communities. Your wallet will be none-the-lighter! Just so we're all100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Using file, you can circumvent those limits without paying to upgrade your team chat service. You decide who you want to share your files an esyposibility for you to send large files to your friends. Files can be downloaded from any computer from our high speed servers. When you use file, you avoidstoring the file you're sending in your cloud storage or mail server. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts.Our service
