**Description**

"*Magpie Murders* is a double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers." --Janet Maslin, *The New York Times*

A *New York Times* Bestseller | #1 Indie Next Pick | NPR Best Book of 2017 | Amazon Best Book of 2017 | *Washington Post* Best Book of 2017 | *Esquire* Best Book of 2017

From the *New York Times* bestselling author of *Moriarty* and *Trigger Mortis*, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery.

When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pünd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job.

Conway's latest tale has Atticus Pünd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a hint of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder.

Masterful, clever, and relentlessly suspenseful, *Magpie Murders* is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.

"It was very important to me that Susan is an editor, not a detective, and it's lovely to write for a mature woman as this isn't something one sees on screen that often. Book editor Susan Ryeland is given an unfinished manuscript by best-selling mystery writer Alan Conway featuring Conway's longtime main character, detective Atticus Pünd. "Classic single title detectives like Morse, Barnaby and Taggart are over and one has to find fresh ways of doing things." Eleventh Hour Founder and Magpie Murders exec Green said the show is "the most distinctive crime drama I've ever been involved with." She hailed "the way it weaves a mystery inside a mystery with a 'meta story' about crime writing over the top," along with its "playful tone." The show is one of several BritBox originals to have been commissioned by the BBC/ITV streamer, following the likes of the Cush Jumbo-starring *The Beast Must Die*, Irvine Welsh's *Crime and the Spitting Image* reboot. To have a mature career woman involved with a physical affair and pondering between her marriage and job was very satisfying." Rather than helming a "slavish pastiche of an Agatha Christie novel," Horowitz also heaped praise on director Peter Cattaneo for achieving a "mildly tongue-in-cheek tone." Horowitz, who has written on traditional detective shows such as ITV's *Foyle's War* and *Midsomer Murders*, said he will no longer write on classic TV murder mysteries. open keyboard shortcut window b go back (or to parent when applicable) e go to edit page — (right arrow) go to next season — (left arrow) go to previous season — (right arrow) go to next episode — (left arrow) go to previous episode a open add image window t open translation selector ctrl+ s submit form n create new discussion w toggle watching status p toggle public/private c toggle close/open a open activity r reply to discussion l go to last reply ctrl+ enter submit your message — (right arrow) next page — (left arrow) previous page Skip to main content Season 1 1 January 2021 44min NRSubtitlesAudio Languages1 January 2021 44min NRSubtitlesAudio Languages1 January 2021 44min NRSubtitlesAudio Languages1 January 2021 44min NRSubtitlesAudio Languages1 January 2021 44min NRSubtitlesAudio Languages1 January 2021 44min NRSubtitlesAudio LanguagesSeason year 2021 Purchase rightsStream instantly DetailsFormatPrime Video (streaming online video)DevicesAvailable to watch on supported devices10 global ratingsHow are ratings calculated? It's a question that is causing huge discussion after a controversial Sony blog talked about 1080i support for 'nearly HD' sets. Currently, to qualify as HD in the UK, sets must be 720p or 1080i, with so-called Full HD or True HD sets having 1080p. HD Burnout So when Burnout Paradise designer Simon Phipps wrote on the Sony blog: "Plus heaps more, including: 1080i support for PlayStation 3 owners with 'almost HD' sets", it sparked something of a reaction. "Really appreciate the 1080i support, but calling 1080i TVs 'almost HD' is a real dumb move - just because you don't like it doesn't make it a real HD res. The six-parter took two years to pen and involved around half a dozen drafts, Horowitz told Deadline, and while the mystery-within-a-mystery format threw up a multitude of challenges, the author said this is "the first time I've really got it right." "The whole book-within-a-book thing is really difficult," he explained. The renowned UK author has adapted many of his novels for TV including Stormbreaker, The Diamond Brothers and South By South East, but Horowitz thinks PBS Masterpiece/BritBox's Magpie Murders from Jill Green's Eleventh Hour Films is a greater achievement.
